

Thoughts!

For a Special
Day!

Living on Earth is expensive,
but it does include a free trip
around the sun!

Birthdays are good for you; the
more you have, the longer you
live!

How long a minute is depends
on which side of the bathroom
door you're on.

I have noticed that people who
are late are often so much jollier
than the people who have to
wait for them.

If ignorance is bliss, why aren't
more people happy?

If Wall-Mart is lowering prices every day, how come nothing in the store is free yet?

You may be only one person in
the world, but you may also be
the world to one person.

Some mistakes are too much
fun to only make once!

Don't cry because it's over;
smile because it happened.

We could learn a lot from crayons;
some are sharp, some are pretty,
some are dull, some have weird
names, and all are different
colors...but they all have to learn
to live in the same box.

Everything should be made as
simple as possible, but no
simpler.

A truly happy person is one who
can enjoy the scenery on a
detour.

Happiness comes through
doors you didn't even know you
left open.
